### *Go Bananaz*

Our wonderful '*Go Bananaz*' programme began today which we offer weekly for 30 minutes...whole school..

'*Go Bananaz*' replaced the traditional 'Bible in Schools' that we used to offer.

Please have a chat with your tamariki about the sorts of things they learn about in a fun and interactive way.

### Junior Playground development

**Thank you** to **Permapine** for donating 100m of treated, processed logs for the perimeters on each of the new playground areas.

These will be placed as part of the preparation working bee on Sunday morning from 0900 hours.

Installation by Park Supplies Ltd is anticipated on or about **Monday 16 March**.

### Mathematics Focus 2020

One of our priority curriculum reviews in 2020 will be in the learning area of **Mathematics**.

Following an application in 2019 for professional learning support, the Ministry of Education is funding 60 hours of facilitated time through the University of Waikato.

**Mrs Lynch**, our Lead Teacher in Mathematics, along with **Mrs Shirley Collins** from the University of Waikato, will lead our curriculum review and teacher development.

This will begin in earnest on **Monday 9 March** with Mrs Collins modelling the teaching of Mathematics in lessons with each teacher, followed by a de-brief, and after school, a staff meeting.

We look forward to sharing the outcomes achieved with you through the year.

### \$\$ Donation \$\$

In conjunction with **Ballance Agri-Nutrients**, **PGG Wrightson** has run the '**Cash for Communities**' programme. As a result, Broadlands School has received a donation of **\$25.00**.

**Thank you** to those of you who nominated Broadlands School as a recipient.

### Supporting Broadlands

Our staff and tamariki greatly appreciate the overwhelming support that we are experiencing from our community in numerous areas of school-life in both time and through monetary donations.

These include the Year 5/6 Papamoa camp, flippa ball, rippa rugby, mini-ball, hockey, 'Top Team' competition, netball, fencing construction, junior playground development, our annual sports events (triathlon/duathlon & swimming) and transportation to/from sporting events.

*Amazing!*

*Thank you!*

Results for Tuesday 25 February

**Broadlands Black v Mamaku Dolphins**

**Player of the Game - Tayla O'Reilly** - For her determination, commitment and team spirit. What a pleasure to have you in this team Tayla!

## Broadlands Yellow v Glenholme Okareka

Well, what can I say! We had an awesome training yesterday and the kids brought that awesomeness to the game!

WOW 11-0 to us. We played Glenholme Okareka. The team played together as a team, the communication and sharing the ball towards one another was absolutely wonderful to watch. They are all players of the day in my eyes.

This week **Player of the Game** went to Charlotte Stewart. Your attack on that ball was outstanding and then looking to offload the ball so your team mate could make that goal, which carried through on your defense. Well done to you and the rest of the team.

**Thanks Coach.**

## JUNIOR RUGBY MUSTER 2020 SEASON

Muster, calling kids of all ages!

It's that time of the year again to dust off the boots and shin pads and bring them in to use again!!!

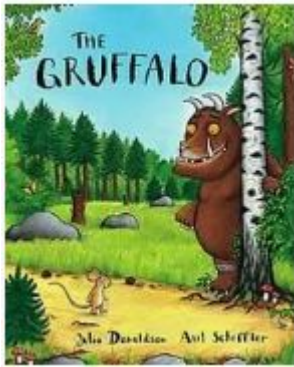

We will be having a Muster at Reporoa Primary next **Thursday 12th March** at 3:30PM, kids tell your friends and bring one along!

We are Reporoa's soccer club! Catering for children from 4+, we have unisex teams that compete in the Taupo competition, every Saturday in Terms 2 and 3.

Practices are usually on Thursday's at 3:30pm at Reporoa Primary School. Soccer is safe, fun and children learn awesome technical skills and how to work together on the field.

Soccer is a great option for families with multiple children of varying ages and sexes, the games are all at the same place, at similar times. We have a lovely home ground at River Road, which we get to show off to visiting teams and means there are not as many trips to town. Contact us now to enquire about joining!

There is space for your Daughter at Girl Guides  
GirlGuiding is growing in Reporoa and there's room  
for more girls to join.

Here are just 3 of the reasons girls choose Girl Guides:

1. They get to do fun things with their friends every week.
2. They get involved in the community.
3. They learn new skills in a safe environment.

All this in 1 ½ - 2 hours, one night a week each term, in a safe environment. Go to [girlguidingnz.org.nz](http://girlguidingnz.org.nz) to find out more.

My name is Ella and I'm the National Programmes Coordinator for [StarJam](#) – a not-for-profit organisation all about unleashing the potential of young New Zealanders with disabilities through the magic of music, dance and performance!

Last year we were approached by a number of families from Rotorua telling us that they wanted StarJam in their community. They told us of a need for an organisation like StarJam, where young people with disabilities can make friends, learn new skills and most importantly have fun in a supportive, safe and encouraging musical environment. We came down to Rotorua late last year and met with a few people about the possibility of bringing StarJam to Rotorua.

Since then, we have been sourcing the funds to get us started and we are planning to open 4 musical workshops in Term 2 (beginning of May). We're so excited to bring StarJam to your awesome community!

We're planning on coming down to Rotorua to run an information evening for interested families, schools, Tutors and Volunteers and community organisations on Tuesday 24<sup>th</sup> March, 4.30pm-5.30pm at Rotorua Community Youth Centre (6 Te Ngae Rd). We hope to use this as an opportunity to tell you all about StarJam and begin the enrolment process for interested Jammers.

Please RSVP to this information evening by emailing [auckland@starjam.org](mailto:auckland@starjam.org). If you cannot attend the information evening, but are interested in StarJam, please still email so we can keep you in the loop.
