'Keeping Ourselves Safe'

From Wednesday 5 June to Friday 14 June, Constable Vivi Sutton / NZ Police, will be delivering the NZ Police 'Keeping Ourselves Safe' programme to all classes, amounting to ten lessons per class.

Included in this programme on **Monday 27 May** will be two parent sessions which we strongly encourage you to join in with. Times will be confirmed next week.

Aim of the programme...

'Keeping Ourselves Safe' is a comprehensive child abuse prevention programme for schools. Its purpose is to:

- teach students a range of safe practices that they can use when interacting with other people, both online and face to face
- teach students how to recognise the difference between healthy and unhealthy relationships, and encourage students who have been or are being abused to seek help
- prevent abuse by making parents and teachers more aware of their responsibilities to help students avoid abuse.

If you have any questions, please email <u>principal@broadlands.school.nz</u> or phone 07 333 8576.

Cyber Safety

During our weekly Digital Technologies classes with **Mrs Karla Shaw** in Term 2, there will be a focus on cyber safety around teaching students how to safely navigate the internet and teaching safe online behaviours.

The Ministry of Education has supported Netsafe to develop a series of animated videos and teaching resources about online safety. The animated videos are called '*Hector's World*' with episodes and lessons based on the usual online challenges children face each time they are online.

Learn more about *Hector's World* via www.education.netsafe.org.nz

another reminder needed....communication is important to us!

1. **CAN BE BETTER!** At this time of the year, sports teams and their practices are being established. This can, and does, create alot of confusion for the Office and your child as to their travel movements at 3.00pm!

Please let your child AND the Office know EXACTLY what is happening on practice days IF there is a change to NORMAL travel so that there is NO CONFUSION! That is...pick up or bus. Establish a routine and let us know.

2. **THIS NEEDS TO IMPROVE!** Please contact us with an absentee by **9.30am** using **school phone text**, **email**, **phone message**, **SchoolApp** or **website** <u>www.broadlands.school.nz</u>.

Thank you for your assistance here.

At this time of the year, we prepare all of our students for the school Cross Country event to be held on Wednesday 22 May. (see details below)

Classes are now involved in fun short and longer distance running activities to build up their levels of fitness, stamina and endurance.

As we know, running / cross country is not everyone's favourite activity, but at Broadlands School, we don't allow an 'opt out' and give everything a go to the best of our abilities.

Cross country is the third of eight events where participation is needed to achieve the 'Participating and Contributing Award' medal presented at the end of the year. Most have started so well!
