Seesaw - A few helpful ideas for you!

Seesaw is our main learning sharing and reporting method at all levels, NE/Year 1 up, which we strongly encourage you all to become involved with. Although 'liking' is a great start, commenting is our ideal and goal for you!

If you ever require any help, starting with your QR code access, please just ask.

Below are some ideas to help you on your commenting journey...

Ask a Question

- ★ Why did you choose to...?
- ★ What are you most proud of?
- ★ What would you like to learn more about?
- ★ Can you tell me more about...?
- ★ Did you notice that...?
- ★ How can I help you become better at...?

Give a Compliment

- ★ I can tell you improved in . . .
- ★ It makes me proud to see that . . .
- ★ I love how you...
- ★ This was interesting to me because ...
- ★ I think you did a great job because ...
- ★ I really liked ... about your post. Have you thought of ...?

Learn Something New

- ★ Can you tell me more about ...
- ★ I wish I understood why ...
- ★ I am curious about ...

Start a Conversation

- ★ What do you think about ...
- ★ This made me think of ...
- ★ Your post reminded me that ...
- ★ I can relate to this because ...
- ★ Have you considered ...
- ★ I wonder why...
- ★ I agree/disagree with...because...

Growth Mindset Feedback

- ★ You might be struggling, but you are making progress. I can see your growth...
- ★ I admire your persistence and I appreciate your hard work with...
- ★ I see you using (strategies/tools)...
- ★ Your hard work is clearly evident in...
- ★ I see you're ready for something more difficult. What skill would you like to work on next? Perhaps...?

Two Stars & One Wish

Give someone two celebrations about their work and one wish about it.

ex: I give you one star for your details and another star for hooking the reader in your introduction. I wish you would add more dialogue to your story.

T.A.G.

T = Tell a compliment

A = Ask a question

G = Give a suggestion

I like how you solved that problem. What made you think of using that strategy? Next time you should more details in your work.

3-2-1

Give 3 celebrations, 2 questions, and 1 suggestion.

I'm giving a big woohoo on your coloring, title, and details. Where do you get your ideas? How do you color so vividly? Next time I'd like to see a closing sentence that ends it with a bang.

Emoji Comments

Use emojis only to comment.

(nice writing, love the ideas)

Hi Everyone,

Please find below details of the Term 4 cricket programme for primary-aged children provided by Rotorua Cricket Association and Northern Districts. We would appreciate if you could pass this onto your sports coordinator or teacher-in-charge of sport and promote this cricket programme via school newsletters/school apps to parents etc.

SuperSmash Hub (Yrs 1-3 approx.)

- SuperSmash Cricket is an entry level, coached programme and is best suited to children 5-8 years old. It is designed to help participants learn the basics of cricket.
- This 6-week programme runs from mid-October from 3.45pm-4.45pm at Smallbone Park on Thursdays.
- Cost is \$30 for the 6-week programme.
- Mixed genders and all gear provided.
- A registration link will be sent out shortly by the Northern Districts team. For questions, please contact simon@ndca.co.nz.

Incrediball Cricket (Yrs 3-5 approx.)

- Incrediball is a modified game of cricket using a soft ball and plastic gear. It is suited for children who understand the basics of cricket or have reasonably developed hand-eye coordination.
- **Teams:** 6 kids per team (so the kids get more ball time than previous years), all games are mixed gender.
- **Games:** are played on Thursday afternoons, at Smallbone Park, Devon Street. These run from 3.45pm until 5.00pm (approx.), from 24th October until 12th December 2024.
- **Fees:** \$10 per player for Term 4.
- **Coaches:** Rotorua Cricket will supply coaches for Incrediball teams (I know, cool right!). 1-2 parents per team are also required to support with organisation and mustering kids. Plus, it's a great game to watch, so come along and enjoy. For those parents keen on cricket, **we encourage you to give coaching a go.** Our coaches will act as mentors, supporting you to develop coaching skills for future years.
- **Gear:** all equipment is provided.
- **Registrations:** Schools can register whole teams (or individuals) via email to info@rotoruacricicket.co.nz. We can create combined teams where full teams are not possible. Registrations are due (ideally) by end of Term 3.

Harrow Hardball Cricket (Yrs 4-6 approx.) – NOW THURSDAY AFTERNOONS

- Hardball cricket is played using wooden bats and protective gear (helmets, gloves, batting pads etc), as well as a hard cricket ball. It is suited for children who have already played Incrediball Cricket or who have well-developed hand-eye coordination.
- **Teams:** are made up of 8 kids per team, all games are mixed genders.
- **Games:** will be played on **Thursday afternoons** from 24th October through until 12th December 2024.
 - Matches are held in Rotorua starting at 3.45pm at various grounds around Rotorua (Boord Park, Neil Hunt, Puarenga etc).
 - You may play one game in Tokoroa, depending on the draw.
- **Training:** Nets are available for training, please book these through info@rotoruacricicket.co.nz.
- **Fees:** The cost for hardball cricket is \$35 per player **for Term 4**, we will form new teams for Term 1 after the holidays.
- **Coaches:** Teams are required to have a coach and a parent who can score / umpire. We have a coaching development programme for parents or volunteers who haven't coached before, so give it a go. We may be able to support teams who struggle to find a coach, please enquire.
- **Gear:** Schools are encouraged to provide their own gear, however if you do not have any/enough equipment, please contact info@rotoruacricicket.co.nz to discuss options as we have some team gear we can lend to schools.
- **Registrations:** Schools can register whole teams (or individuals) via email to info@rotoruacricicket.co.nz. We may be able to create combined teams where full teams are not possible. Registrations are due (ideally) by end of Term 3.
